Memorandum

To: Honorable Mayor and City Council Members

From: Kellie Rhodes, Planning Technician

XC: George Purefoy, City Manager
John Lettelleir, AICP, Director of Planning & Development

Date: November 18, 2008

Subject: Consider and act upon adoption of an ordinance changing the name of Jasmine Way, a Public Way, in the Legacy Crossing Addition to Punjab Way. Neighborhood #45. STRE08-0010. (Planning & Development Services)

Action Requested: Adoption of an Ordinance changing the name of Jasmine Way to Punjab Way.

Background Information: In the past, street names associated with a commercial tract were not logged into the database and/or reserved. The public way was named the same as a residential street that already has addresses. There would be minimal impact to change the public way name as no addresses have been assigned to it.

Alternatives: The City Council could choose not to adopt the Ordinance, therefore not changing the street name.

Financial Considerations: Not Applicable.

Board Review/Citizen Input: The owner of the property worked with City staff to come up with the new name.

Public Impact: There are no properties that are addressed to the street at this time.

Legal Review: The ordinance was reviewed by the City Attorney's Office.
